

As parents in this community and concerned citizens, we have chosen to partner with Operation Underground Railroad ([www.ourrescue.org](http://www.ourrescue.org)) to bring relief to children around the world caught in the sex trafficking trade. Our goal is to raise at least \$15,000 for both O.U.R. and their local after-care facility partners, Operation SHIELD ([www.operationsshield.org](http://www.operationsshield.org)) by hosting a fundraising 5K/10K/Half Marathon on **Saturday, September 17, 2016** in Rexburg, Idaho. As non-profit organizations, Operation Underground Railroad and Operation SHIELD rely on generous donations from sponsors and businesses like yours to help fund their efforts. All money raised at this event will go directly to these deserving organizations.
