Tagline: We exist to rescue children from sex trafficking.

O.U.R. MISSION: To shine a light worldwide on the global epidemic of child sex trafficking, and in so doing rescue more children from slavery and assist law enforcement to seek justice for those who violate children. We place survivors on a path to recovery by partnering with vetted aftercare providers.

Numbers as of January 1, 2019

Survivors Rescued: 1,730 total

Traffickers Arrested: 843 total

We are operating in 21 countries including the U.S., and support law enforcement in 21 U.S. states.

Over 2,600 survivors are supported by O.U.R. Aftercare

Statistics: Today, there are over 2 million children enslaved worldwide in sex trafficking. It is estimated up to 300,000 children in the U.S. are at risk of sexual exploitation.

Process: O.U.R. has gathered the world's experts in extraction operations and in anti-child trafficking efforts to bring an end to child slavery. O.U.R.'s Jump Team consists of former CIA, Navy SEALs, and Special Ops operatives that lead coordinated identification and extraction efforts. These operations are always in conjunction with law enforcement throughout the world.

Once victims are rescued, a comprehensive process involving justice for the perpetrators and recovery and rehabilitation for the survivors begins.

O.U.R. is committed to enhancing law enforcement efforts in the U.S. by providing various resources, some of which include training, investigative tools, or intelligence sharing. O.U.R. is honored to support our nation's heroes in this important cause to deter, disrupt and dismantle child exploitation and the trafficking of children in our nation's communities.

Aftercare: The keyword in O.U.R. Aftercare truly is "Collaboration". O.U.R. vets and assesses aftercare centers around the world, which consists of partnering with

different organizations, safe homes, and aftercare centers. Aftercare also works directly in collaboration with the O.U.R. Jump Team and government officials to communicate the assessments and potential aftercare centers for children.

Our goal is to help survivors find hope, healing, and love. We restore confidence by helping each child build a foundation for their future. Our aftercare programs provide mental health therapy, education, recreational activities, and vocational training.

“United we stand in the fight against human trafficking and the healing process of victims that become thriving survivors.”

O.U.R. Promise: To the children who we pray for daily, we say: Your long night is coming to an end. Hold on. We are on our way. And to those captors and perpetrators, even you monsters who dare offend God’s precious children, we declare to you: Be afraid. We are coming for you.
